Dr. Radway & Co. have never claimed one-hundreth part of the curative virtues for their remedies as is asscribed to them by the people who have used them; for bear in mind, only such diseases and complaints as Dr. Radway, after successful treatment with their remedies knew they would cure, were enumerated in their curative list, so that many of the extraor-dinary cases that have been reported awaken-ed as much astonishment in the discovery of their remedial agents as in those who had been rescued from death, and made whole and sound.

HANNAH P, KNAPP. AN IMPORTANT LETTER

From a prominent gentleman and resident of Cincinnati, Ohio, for the past forty years well known to the newspaper publishers throughout the United States:

NEW YORK, Oct. 11th, 1879.

Dr. Radway—Dear Sir: I am induced by a sense of duty to the suffering to make a brief statement of the working of your medicineous needs. sense of duty to the suffering to make a other statement of the working of your medicineon myself. For several years I have been afflicted with some trouble in the bladder and urnary organs, which some months ago culmimated in a most terribly afflicting disease, which the physicians all said was spasmodic stricture in the uretha, as also inflamation of the kidneys and bladder, and gave it as their opinion that my age—43 years would pretent my ever getting radically cured. I had tiled a number of physicians, and had taken a large quantity of medicine, both allopathic and homeopathic, but got no relief. I had read of astonishing cures having been made by our remedies; and some four months ago I read a notice in the Philadelphia Saturday Evening Post of a cure having been effected on a person who had long been suffering as I had been. I went right off and got some of each—your Sarsaparillian Resolvent, Ready Relief, and Regulating Pills—and commenced taking them. In three days I was greatly relieved, and now feel as well as ever.
